# Human Services COALITION

Connecting people to opportunity,  
purpose and action

The Prosperity Campaign is the flagship initiative of the **Human Services Coalition (HSC)**, a private Miami nonprofit founded in 1995. Through the Prosperity Campaign, HSC helps lower wage individuals and families in South Florida connect to quality healthcare programs and services, and establish financial security and improve their quality of life. HSC packages information about economic benefits (Earned Income Tax Credit and Childcare Tax Credit) and free financial services and takes it into homes, schools and the workplace.

**Human Services Coalition (HSC)** supports individuals, organizations and communities to create a more just, equitable and caring society. HSC uses and promotes a range of innovative economic empowerment, civic engagement and capacity building strategies to increase individual and community prosperity.

The Prosperity Campaign is an initiative of the Human Services Coalition.
